I/We, the undersigned, hereby apply for a permit under *Section 4 Bylaw 95-2* of the Town of Herbert, as follows:

Regulations for a fire pit for recreational purposes only:

- a) Must be made of non-combustible material such as concrete, stone, brick, steel.
- b) Must not be larger than 30 inches in diameter.
- c) Must be a minimum of 10 feet from a building, garage, deck, porch or property lines.
- d) Must be on a non-combustible material - clear earth, cement, etc (no grass within 24 inches of fire pit).
- e) Must be clear of overhangs, branches, utility lines.
- f) Must be supervised by an adult (18 years of age).
- g) Must have a method of extinguishment available (garden hose, pail of water, etc).

I understand that a permit is not required for use of a barbecue purchased from a retail outlet, but is required for a barbecue constructed by myself or someone hired by myself on my property. Following is a rough sketch of the fire pit/ barbecue constructed on my property, and its location with respect to any building in the area.
